

Already this year there has been a lot of activity related to mergers & acquisitions in the A/E/C industry, especially with companies we have been associated with. Here are a few things that you might be interested in to further help with your transition planning:

1. Rodriguez Park Architecture Planning Joins DAHLIN

http://www.dahlingroup.com/perspective/Announcement/Rodriguez_Park_Architecture_Planning_Joins_DAHLIN

2. S.W. Cole Acquired Tibbetts Engineering

Here are two engineering companies that we assisted in the joining of their forces through acquisition and through our mergers & acquisitions advisory services - hard at work in the NorthEast as the newly formed company:

3. ARTICLE - A/E/C Mergers & Acquisitions Trends – 2018 and Beyond

Right now, the market is good for acquisitions. Firms are performing better than the past. Firms are making more money. They therefore have cash to spend. Firms need people and are now more in a position to implement their growth strategies. As long as the economy cooperates and as long as private client budgets, governmental and municipality budgets and educational budgets are intact and even on the rise, this level of business activity will continue and the mergers and acquisitions market will continue to be good.

4. Buyers Representation - Although most of our work represents sellers of A/E/C firms, here is one of example where we represented the buyer:

ATI, Inc. is pleased to announce the acquisition of Colimore Architects, Inc.:

COLIMORE
ARCHITECTS | an ATI company

ATI, Inc. is pleased to announce the acquisition of Colimore Architects, Inc. Colimore is a full-service architectural, planning, and interior design firm with over 45 years of experience providing a broad range of thoughtful and thorough professional design and consultation services, customized to address each client's unique needs.
